

St. Peter's Church

Newton le Willows

Here at St. Peter's, we pride ourselves on being a child friendly church with lots of facilities to cater for young families.

The first Sunday in every month is Family Service, in which the children are encouraged to participate by being in the parade, taking collections, reading lessons and prayers etc.

Sunday School meets on the other Sundays in the month. If your child is over three years old, they are very welcome to come to church with an adult and go through to Sunday School in the annexe at 9:30 am for fun, supervised activities related to the church service. If your child doesn't settle without you after three weeks, we hope you will keep them in church with you and try again later.

For children under 3 years, there is a children's corner which is stocked with toys, books and pew bags.

Hope to see you soon!
